

## **Follow-up session invitation**

Can be sent as an email or letter

In follow-up to our walkable communities workshop, the xxx and xxx are hosting a second session.

Date:

Time: (2 hours)

Location:

We will review the progress on priorities that many of you identified at our workshop on xxx, celebrate successes, re-affirm identified issues and solutions, determine if there are others that have emerged and determine energy and resources for next steps.

The session will be facilitated by walkON's consultant Paul Young. Paul assists with group processes for building more sustainable, healthier communities. He is experienced in designing streets, parks and other public open-spaces. Paul is a Health Promoter in Toronto and a registered landscape architect and urban designer.

**Please RSVP for this session by xxx by sending an email xxx or calling xxx.**

Please join us as we move towards improving people-powered transportation in our community. Attached are the notes from our workshop.

Actively yours,

Names of coordinator and co-host (e.g. mayor)
